MIT
INSTITUTE

Greetings from down under!

Thank you for taking some time to read me!
Here we will share all you need to know about MIT
Institute and it's values.

So... Who is MIT Institute?

It all started back in 2006. MIT Institute established itself as a boutique type of college with customised courses and a well trained staff members to better accommodate and support our students while providing a "family" atmosphere.

With our over ten-year experience in providing English to students from all over the globe we are perfectly suited to make your study experience at our Institute memorable and enjoyable. Our dynamic learning environment will ensure that you will definitely find studying at MIT Institute meets your expectations and leads you to an exciting future.

MIT Institute hopes to take this first and most important step with you and so we welcome you warmly and look forward to seeing you soon!

APPROACH

At MIT Institute we know that learning English is a journey best taken in small steps. Challenges, fun and a sense of satisfaction are commonly found in our classrooms and it would be our pleasure to help you navigate your way forward in the English-speaking world.

PRACTISING

A fun and effective way to practise your skills is through our Special Focus Module. The S.F.M is an one hour class and in this session, students will practise a different skill every day such as pronunciation and listening in a dynamic environment. Other lessons include TED talks and Film English allowing students to improve their critical thinking.

SCHOOL INTEGRATION

Learning English is all about fun and learning! We provide a cozy learning environment where you will get involved and engage in a lot of activities with other students and teachers.

This is the place for active learning!

ORIENTATION DAY

On your very first day at MIT Institute, you will do a placement test so that we can better identify your English level and place you in the right class. Our friendly staff will also be there in case you need any assistance in your own language.

PROGRESS MONITORING

Students' progress is carefully monitored so that you receive all the support you need. Our teachers will monitor your improvement regularly so you will be challenged, assuring that you will be ready to push your way up to the next level.

TEACHERS

Pride in our teaching team, the true heart and soul of MIT Institute and the reason for our popularity is without doubt our teaching staff. All the teachers within the MIT family are unmatched for their experience, dedication, empathy and support.

ENGLISH ONLY ZONE

Have you ever thought about becoming a singer? Watch out for our English Only Policy or you might! Our students are not allowed to speak any other languages but English in the classroom, but if you do... you must do what your teacher asks such as sing a song in English.

METHODOLOGY

MIT Institute provides a modern education experience, employing proven methods of teaching to ensure students obtain the best possible outcomes from their efforts.

Our mission is to help people reach their maximum potential as language learners.

- > Student-centered
- > Task-based Learning
- > Communicative Language Teaching

QUALITY ASSURANCE

The survey from NEAS, an external quality assurance body, revealed that our student satisfaction rate is 92%, one of the highest in Australia.

EXCURSIONS

What's the best thing you can imagine yourself doing after a test? Test week always comes along with a fun excursion!

Relaxing after a term test is very welcome and enjoyable for students and teachers, and they deserve it! The excursions includes Sydney's touristic attractions, BBQ at the beach, and many other activities all year long!
